

TA Conference Call Notes August 21, 2008

- **2007-2008 Annual Report**

In-Person trainings for the Annual Report were held the first week in August. We are currently in the midst of GoTo Meetings, space for these Web sessions is limited, be sure to check the evaluation site for the time, dates and registration information.

- **Power of Preschool (PoP) Training Update**

PoP report training will be conducted in the same fashion as the Annual Report and School Readiness training. First 5 California will host PoP training on Tuesday August 26, 2008. Space for this training is also limited so check the evaluation Web site at www.first5eval.com for registration information.

- **Legacy Workgroup**

As part of the implementation of our recent Strategic Plan, First 5 California will be convening a Legacy Workgroup to develop criteria for future programs. First 5 California is working with an outside facilitator to determine how the workgroup will convene. We are working on a commission agenda item for the September 18, 2008, First 5 California Commission meeting. Please check our Web site at www.ccfc.ca.gov for the meeting handouts to learn more about the process.

- **School Readiness (SR) Evaluation**

First 5 California is in the final stages of securing a contractor to conduct a meta-analysis of county commission SR evaluations. We encourage the counties to send their SR evaluations to First 5 California's e-mail inbox at evaluation@ccfc.ca.gov if they have not already done so.
